McCauley-Rice Folk Dance Scholars have enriched the local folkdance community since 1979. Nearly 40 dancers have attended camps at Stockton and Mendocino, or have attended *balkanalia!* in Portland on these scholarships and they have returned to share what they have learned in Oregon and around the Pacific Northwest and beyond.

We are once again offering a scholarship to **Stockton Folk Dance Camp** in California this summer: folkdancecamp.org and or ***balkanalia!*** this September: balkanalia.org. Recipients are expected to share the dances they have learned with Hoolyeh dancers over the following year. If you would be interested in attending Stockton or *balkanalia!* this year, please fill out this application. You may return it at the Registration desk at the Hoolyeh Party on April 26*, or mail it to the Scholarship Committee by May 10:

McCauley-Rice Scholarship, c/o Mary Bucy, 2921 NW Hayes Ave., Corvallis, OR 97330.

* Applications for Stockton are due immediately, so this option is preferable.
